

Columbia Police Department

South District Meeting

June 29, 2023

This is the presentation that was given to community members at the South District meeting on June 29, 2023 at Columbia City Hall.

Included in these slides are data for City-wide and South District violent crimes, property crimes and firearm-related activity from January 2020 through June 15, 2023. There is also information on the number of calls involving drug overdoses and mental health incidents law enforcement has responded to from January 2020 through June 15, 2023.

Interactions between law enforcement and unhoused community members from Jan. 22 through June 15, 2023 are also reflected. This specific date range is included due to the Department's recently tracking specific calls involving the unhoused.

It is important to note that year- to-date increases or decreases in the data reflect trends from June 15, 2022, to June 15, 2023.
